CAREER OBJECTIVE

A highly motivated Information and Communication Technology undergraduate student with a strong background in competitive programming, software engineering, and modern web technologies. Passionate about solving complex algorithmic challenges, building impactful software applications, and continuous technical growth.

EDUCATION

Degree & Institution	Timeline / Result
B.Sc. (Engg) in Information and Communication Technology (ICT) Mawlana Bhashani Science and Technology University (MBSTU), Tangail <i>Major: Software Engineering, Data Networks (3rd Year, 2nd Semester)</i>	2023 – Present CGPA: 3.60 / 4.00
Higher Secondary Certificate (HSC) Major General Mahmudul Hasan Adarsha College, Tangail (Science Group)	2020 – 2022 GPA: 5.00 / 5.00
Secondary School Certificate (SSC) Poradia Adarsha High School, Belabo, Narsingdi (Science Group)	2014 – 2020 GPA: 4.94 / 5.00

CERTIFICATIONS & TRAINING

CERTIFICATIONS & COURSES (*IELTS Specialization Details Updated*)

IELTS Preparation Specialization (Completed) — *University of California, Irvine (UCI) via Coursera*

- IELTS Writing Section Skills Mastery (Completed)
- IELTS Listening and Speaking Sections Skills Mastery (Completed)
- IELTS Reading Section Skills Mastery (Completed)

Computing, Ethics, and Society Specialization — *Coursera*

- Ethical Issues in AI and Professional Ethics (Course Completed)
- Computing, Ethics, and Society Foundations (In Progress)
- Ethical Issues in Computing Applications (In Progress)

Certificate of Volunteer Service – Day-long Event Management, Mawlana Bhashani Science and Technology University (MBSTU)

TECHNICAL SKILLS

- ❖ **Programming Languages:** C, C++, Java, Python
- ❖ **Web & Mobile Development:** HTML5, CSS3, JavaScript, Django Framework, Android Studio (Java)
- ❖ **Core Computer Science:** Data Structures & Algorithms, Object-Oriented Programming (OOP), Database Management Systems (DBMS), Operating Systems, Web Programming, Basic Robotics
- ❖ **Tools & Platforms:** Git, GitHub, VS Code, Microsoft Office Suite
- ❖ **Problem Solving Platforms:** Codeforces, UVA Online Judge, Beecrowd, LightOJ

PROJECT

1. ESP32 Motion Detection and Telegram Alert System (IoT / Embedded Systems)

- **GitHub:** github.com/MonAyub/ESP32-Motion-Detection. (*Scan/Click to view code*)
- **Technologies / Tools:** ESP32 Microcontroller, PIR Motion Sensor, C/C++ (Arduino IDE), Wi-Fi, Telegram Bot API
- Designed and built an automated IoT-based security surveillance system using ESP32 and PIR motion sensor.

- Integrated Wi-Fi connectivity and Telegram Bot API to trigger real-time instant notification alerts upon detecting unauthorized motion.
- Optimized sensor sensitivity and network messaging for low-latency security alerts.

2. Online Quiz System

Technologies: HTML, CSS, JavaScript

- **GitHub:** github.com/MonAyub/online-Quiz *(Scan/Click to view code)*
- Developed an interactive web-based quiz platform enabling students to take real-time multiple-choice assessments.
- Implemented auto-evaluation algorithms for instant score calculation and immediate user feedback.
- Designed a responsive, user-friendly interface optimized for multiple devices.

3. Console-Based To-Do List App

Technologies: C++

- **GitHub:** github.com/MonAyub/ToDoList *(Scan/Click to view code)*
- Built a fast and lightweight console-based task management tool in C++ for efficient personal task scheduling.
- Implemented functionalities for dynamic task creation, status updates, listing, and deletion.

4. Association Management Web Application (Web Development)

- **GitHub:** github.com/MonAyub/Associa
- Built a web application designed to streamline organizational workflows, member directories, committee details, and notice publishing.
- Structured dynamic content layouts and relational database views to digitize administrative coordination for associations.
- Improved accessibility of announcements and event management for members and executive teams.

KEY COURSES

Data Structures & Algorithms, Object-Oriented Programming (OOP), Database Management Systems (DBMS), Operating Systems, Web Programming.

COMPETITIONS & OLYMPIADS

- Polashi to 24 Quiz Competition: Active Participant
- National / Regional Science Olympiad: Participant (HSC level)
- Math Olympiad: Participant

EXTRA-CURRICULAR & VOLUNTEERING

- **Volunteer:** Managed logistics and coordination during the day-long university program at MBSTU.
- **Competitive Programming:** Active problem solver across platforms including Codeforces, UVA, Beecrowd, and LightOJ.
- **Sports & Event Management:** Organized and participated in departmental cricket and football tournaments as well as academic workshops.
- Strong leadership, event coordination, and analytical problem-solving skills.

LANGUAGES

- **Bengali:** Native
- **English:** Professional / Academic Proficiency (ESL)
